APPLICATION UNDER 37 CFR §1.59(B)**

Attention: Technology Center Director
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This is in response to the Decision on Petition mailed June 1, 2006, regarding the Petition filed under 37 C.F.R. §1.59(b) on January 17, 2006 to expunge information from the above-referenced application, which was Dismissed. The Petition was dismissed because of a deficiency identified as a lack of "commitment on the part of the petitioner to retain the information to be expunged for the life of any patent with regard to which such information has been submitted." This is a request for reconsideration of the Petition, including the missing statement of commitment, to cure the deficiency of the previously filed Petition and is timely filed within the allotted two month time period, which expires August 1, 2006. Reconsideration is respectfully requested.

Petitioner requests that one page of information unintentionally submitted in an Information Disclosure Statement filed on October 1, 2004, be expunged from the record.

Docket No.: 297912004400

A) The one page of information to be expunged is designated as page 68 of WO 00/30546, following FIG. 13, which was inadvertently included with the WO reference, but which is not part of that reference.

B) The one page of information to be expunged is marked "Privileged and Confidential" and is proprietary material that has not been otherwise made public. The information submitted was unintentionally submitted and the failure to obtain its return would cause irreparable harm to the party in interest on whose behalf the information was submitted.

C) Petitioner hereby makes the commitment to retain the privileged page for the period of any patent with regard to which such information has been submitted.

D) This Petition to expunge is being submitted by, or on behalf of, the party in interest who originally submitted the information.

E) Petitioner believes no fees are required for this reconsideration; however, authorization is hereby made to charge any additional fees which may be required by this paper to Deposit Account No. 031952.

Dated: June 19, 2006

Respectfully submitted,

By
